Authorization required

Serving 800,000 people per year through a network of four hands-on museums in three different cities, educational outreach programs, and professional development for teachers throughout the region, Discovery Place is a leader in STEM education in the Carolinas. Discovery Place aspires to be at the forefront of transforming the way science, technology, and nature are explored and learned to inspire dreams, raise aspirations, and motivate people of all ages to develop a lifelong love of learning.
